## KASCO SharpTech Cutlery

KASCO SharpTech cutlery means premium quality at affordable prices. Made from highest-quality cutlery steel, every blade is fully taper ground, honed and glazed to a razor sharp edge ready for immediate use. Carefully controlled tempering assures a long-lasting edge which responds quickly to touch-up and re-sharpening.

A wide variety of blade styles are available to meet any demanding meat cutting need. Handle styles available are the sanitary, non-porous plastic and traditional hard wood handles.

KASCO SharpTech has provided the meat processing and meat retail industry with superior cutting edge products, meat room supplies, seasonings, and repair services for over 100 years! KASCO SharpTech is a primary manufacturer of meat cutting edge products, with manufacturing facilities in St. Louis, Missouri, Atlanta, Georgia and Matamoros, Mexico.

KASCO SharpTech is also a sophisticated distribution and service provider, covering retail grocer stores, packing houses, and restaurants across the US and Canada.
